

2019 College of Wooster Women's Soccer Prospect Camp July 12

THE WOOSTER PROSPECT CAMP

An opportunity offered to advanced high school aged soccer players. The camp is designed to provide a unique experience for the serious soccer player who is considering furthering their playing days at the collegiate level.

Campers will experience an intense, one-day training environment that closely resembles a typical College of Wooster Women's Soccer pre-season training schedule. In addition to working on the technical and tactical aspects of the game everyone will have the opportunity to work directly with the Wooster coaching staff, compete with other highly motivated soccer players, showcase their talents and experience a little bit of "college soccer".
